

Do you know that Pebecco Toothpaste contains 40% DEADLY Potassium Chlorate?

Infectious germs THRIVE in Mercurochrome, Listerine, and Lavoris, all "antiseptics" ?

Nestles and Hersheys bars contain 400 times the safe amount of poisonous lead.

Jack Benny's Jello contains unsafe amounts of arsenic and lead.

Do you know ? ? ? ? ? ? ? ? ? ? ? ?

HEAR

DR. SOUTH WORTH
OF THE CONSUMERS UNION

tell how the U.S. Government winks at these dangerous actions of the food and drug manufacturers. He will tell how the U.S. sanctions the killing of thousands of people every year through poisoned meat, falsely labeled and dangerous drugs, and how the students and consumers can PROTECT themselves. Everyone invited..... IT'S FREE!

FRESHMAN CULTURAL BRANCH
Young Communist League

HAMILTON HOTEL
138 Street and Hamilton Place
1 block west of Amsterdam Ave.

The Freshman Cultural Branch of the Y.C.L. has been organized to give the Frosh a chance to enjoy themselves, to hear prominent speakers on important subjects, and to enable the '39 and '40 classes to study the important problems that face them. Watch for our first DANCE!
