# ON TO VICTORY

The Board of Higher Education has already been forced to give in a bit on the question of Mr. Schappes reappointment. He will at least be given a hearing. Continued student pressure and support will result in final victory for us and the reappointment of Mr. Schappes. Today at 12:00 o'clock noon, there will be a mass meeting on the campus. Theresa Levin, organizational secretary of the A.S.U. will be one of the speakers. The important question of strike action will be taken up.

At 1:00 o'clock the campus meeting will adjourn to Room 204 in the Chem building to participate in the A.S.U. meeting which will also take up the problem of the strike.

Paid up members of the A.S.U. will receive their membership cards and all members will be entitled to join in the selection of an election slate for the A.S.U. party.
