# ANTI-WAR SONGS

No more will we fight their  
battles

No more will we fight their  
wars

So let the high and mighty  
slaughter one another

We will fight their wars no  
more

NO MORE WARS !!!!!

(To the tune of the Vagabond  
king)

Students war is coming  
Soon you'll hear the drumming  
Of imperialistic war.

Don't stop at mere discussion  
Take determined action

'Gainst imperialist war!

Forward! Forward! Raise your  
banners high

Down with war,  
Shall be our battlecry;

Awake ye student masses

Join with working classes

STOP IMPERIALISTIC WAR!!
