What Are You to Do?

THE NEW MASSES wholeheartedly supports the fight you, the students of C. C. N. Y. are making against the dictatorial regime that stifles independent thought, suppresses military Anti-War and Anti-Fascist action, and is driving to destroy student expression and government.

But How Are You To Oust Robinson?

HOW are you to win the reinstatement of your suspended classmates and dissolved organizations? In THIS WEEK'S NEW MASSES, an editorial analyzes the significance of your struggle, exposes the manoeuvres of the administration, and tells how you can broaden and win your struggle.

A tremendous MASS TRIAL of the City College administration will be held under the auspices of the National Student League, Friday Evening, October 19 at 8 p.m., at Webster Hall, 119 East 11th Street.
