

# WATCH OUT FOR THE HOOK!

**REMEMBER** how the soldiers yelled to the new draftee waiting for the injection: "Watch out for the hook!" "Doctor" Dewey has a few hooks you've got to watch out for . . .

DEWEY Says . . . "we must spare neither funds nor energy in establishing a maximum of emergency shelter until permanent housing can be created." (Annual message, 1946.)

WATCH OUT FOR THE HOOK! The facts are:

1. Vets need more than 200,000 dwelling units in New York City alone but . . .
2. Dewey killed the Steingut-Quinn Bill, the Isaacson Bill and by his silence helped scuttle the Wagner-Ellender-Taft housing bill in Congress.
3. Dewey spends 200 million dollars for a swanky highway but builds less than 6000 crummy housing units for vets.

**We demand Dewey use the \$500 million state surplus for vet housing!**

DEWEY Says . . . "we welcome the opportunity to do for our soldiers and our sailors . . . those things to which they are entitled by reason of (their) sacrifices. . . ." (Annual Message, 1946.)

WATCH OUT FOR THE HOOK! The facts are:

1. A Dewey-controlled legislature killed a bill for an adequate state bonus NOW.
2. Dewey forced through a measure to stall payment until 1948 (when he figures it'll be good campaign propoganda for a presidential election).

**WE NEED THE BONUS NOW! We need a Governor we can talk to NOW!**

DEWEY Says . . . "the position of the state of New York in the field of education is in the very forefront of the nation. . . ." (Annual Message, 1946.)

WATCH OUT FOR THE HOOK! The facts are:

1. N. Y. stands 48th in state appropriations for higher education.
2. Louisiana appropriated 15 times more per capita for education than New York State.
3. Instead of a free state university, Dewey appoints an "investigating commission" to report back in 1947.

**We need a Free State University Now! End Tax Exemptions to Race Quota Schools!**
