November, 1935

FOR A UNITED STUDENT MOBILIZATION

STUDENTS and TEACHERS:

The 17th ANNIVERSARY of the ARMISTICE FINDS THE WORLD THREAT-ENED WITH A NEW WORLD SLAUGHTER. THIS TIME THE YOUTH OF AMERICA MUST STOP THAT THREAT!

ON NOV. 8, ALL OVER THE U.S. THE YOUTH WILL STOP SCHOOL AND WORK and MOBILIZE FOR PEACE

City College Students have been in the forefront of the militant struggle for peace. Here their splendid campaign—against ROTC, against Fascism, building the April 12 strike—have forced even the arch reactionary President Robinson, to call off classes from 11:00 to 12:00 on FRIDAY, November 8, and hold a PEACE MEETING in THE GREAT HALL. EVERYONE MUST SUPPORT THIS MEETING.

TODAY AT 12:30 IN ROOM 126

There will be a

PREPARATORY CONFERENCE

CALLED BY THE STUDENT COUNCIL

ALL Student and Teachers organizations should send representatives. The Y. M. C. A., the Newman Club, the Menorah Society should join this movement, as national religious bodies have done. The Douglass Society and the Circolo Dante Alighieri should make common cause in defense of the peace which is now threatened by Italian fascism. The Anti-Fascist Association and the Instructional Staff Association should have representatives there.

The Conference should send a delegation to President Robinson to urge that November 8 be a demonstration that will truly represent the nation-wide demand of youth for peace. It must urge that the students be properly represented that a STUDENT program be carried out, that the resolutions - which the youth of America will that day be considering be presented to the City College students for approval. These resolutions should include Defense of Ethiopia, No Shipments of Supplies to Fascist Italy, Refusal to Fight in an IMPERIALIST WAR.

SUCH A MEETING CAN BE BUILT, if the students and the teachers will fight for it through their organization. Carry on the splendid CCNY traditions! SUPPORT THE November 8 MOBILIZATION FOR PEACE!
