What have Hunter GIRLS got?
that WE haven't got?
(FREE BOOKS)

Can we better afford to spend the ten dollars a term that our books cost us; \$10 that we need for living expenses?

3000 out of 6000 students apply for the N.Y.A. pittance. 2000 students apply at the employment office each term.

Do we have to continue to prove your evident need for free books?

LET US END THIS SEX DISCRIMINATION!
