

THE UMBRELLA STRIKES AGAIN!

PRESIDENT ROBINSON HAS OUTLAWED THE OXFORD PLEDGE --

banning the April 22d strike meeting from the college grounds if the Oath is included. Thousands of City College students have taken the Oath at previous strikes. There is absolutely no precedent for the President's ruling.

Academic freedom is again at stake! The question is not one of agreement or disagreement with the Oath. Students must be guaranteed the right to have the Oxford Oath presented to them on their own campus.

The Board of Higher Education has previously -- as in the Schappes case -- reversed decisions of President Robinson which the students have shown to be violations of academic freedom. We respectfully urge the Board again to reverse the President's decision and safeguard student liberties on the City College campus.

MASS PROTEST MEETING TODAY AT 12 ON THE CAMPUS

HEAR STUDENT REPRESENTATIVES OF SCHOOL ORGANIZATIONS AND A SPEAKER
FROM THE AMERICAN CIVIL LIBERTIES UNION.
