

Demonstrate Against Fascism

on FRIDAY, OCTOBER 12th 1934

at COLUMBUS CIRCLE, 59th STREET
and BROADWAY at 9 A. M.

YANKEE STADIUM, 161st STREET
and GERARD AVENUE at 12 Noon

Workers and Students!

Stop the Italian Fascist Invasion of America!

Following on the heels of Mussolini's Blackshirt Band, comes a delegation of Fascist students. These students, ignorant of the crushing of the entire labor movement of Italy and the suppression of all liberty and freedom, come here, as unconscious tools of a barbaric regime to popularize the murderer Mussolini. As students they are welcome—as agents of fascism, NEVER!

In order to popularize Fascism, the Italian students are to stage ceremonies at Columbus Circle and a manifestation in the Yankee Stadium. The working class must answer with their own demonstration which has been organized by a united committee consisting of the Socialist Party, The Communist League of America, the Communist Party Opposition, La Stampa Libera, Il Martello, The Young People's Socialist League, League for Industrial Democracy, Industrial Workers of the World, Young Circle League, and Trade Unions.

COME TO COLUMBUS CIRCLE AND THE YANKEE STADIUM at the hours indicated. Let these Fascist students take back to Mussolini the news that the American workers and students hate Fascism and are determined to crush it!
