EOSG

As just discussed. AB

7 August 2006

SG,

I just spoke with PR of Qatar to relay your understanding with Amr Moussa on the scenario for tomorrow. Amb. Al-Nasser has a totally different view of the order. There was no indication as to whether that had been discussed with the Foreign Minister of Qatar, who I understood, and mentioned to him, was on the same flight with Amr Moussa. His proposal is as follows. They first meet with you at 2:30 p.m. and then proceed with you to the Council at 3:15 p.m. where only the Foreign Minister of Qatar, Israel and Lebanon would be invited to speak. Following the Council meeting, they would expect to meet with the US and France at the Qatari mission.

The PR wants to discuss the above with you. He feels strongly that the meeting with the Security Council should precede the meeting with the US and France. Awaiting your advice.
