SG:

1. As expected, we have received a request from Foreign Minister Machimura of Japan to meet with you tomorrow (Wednesday 27 July):

I understand from MMB and RO that you have discussed this and would wish to see him.

Please advise:

2. On a separate issue, with regard to the request from Mexico which I brought to your attention last week: **Mexico was acting on behalf of the "Friends of UN Reform"**. We have not received a request for a meeting from the "Uniting for Consensus" group, of which Mexico is also a member.

In Bob Orr's view, you might want to meet the "Friends" before August 5; when the "final" draft of the President's outcome document is expected.

Thank you.

SG:

Attached, for information, is the macro of recent appointment requests.

We have advised all those who have made requests for next week that we do not believe meetings will be possible.

You may wish to note, in particular, the requests from Mr. Veness for his "regular monthly meeting on general security issues" and from the "Group of Friends of UN Reform".

I discussed the latter with Bob Orr, who did not feel that there was an urgent need for you to meet with the Group of Friends. Ambassador Berruga (Mexico) did not indicate the meeting was urgent but that the group would welcome an opportunity to discuss with you the outcomes of its meeting in the Netherlands on 4-5 July and the way forward.

I should receive them since I received
