Note to Mr Guéhenno

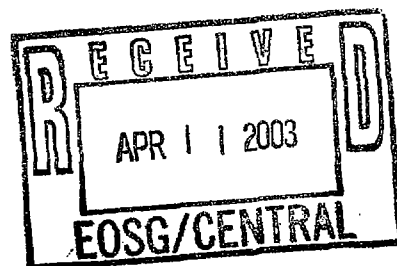

Project on Justice in Times of Transition

The attached documentation was sent to the Secretary-General by Ms Wendy Luers. The Secretary-General would be grateful if you could advise him on how this very useful material could be utilised by DPKO, since, as you know, the Secretary-General is very interested in this issue.

Thank you.

Note to the Secretary-General

Project on Justice in Times of Transition

Ms Wendy Luers came to see me recently and asked me to pass on to you the attached documentation concerning Harvard University's Project on Justice in Times of Transition. She is interested in finding a framework for the Project which could be put to use by the UN. I understand that she is discussing this with DPKO.

She suggested that Dr Sadik be might be considered for being responsible for the issue. In due time, Ms Luers hopes that an event could be organised which you could open and to which you could give your support, similar to that which surrounded the Responsibility to Protect report.

Please let me know if there is anything that you would like me to continue to pursue.
