JOSEPH E. CONNOR
UNDER-SECRETARY-GENERAL
FOR ADMINISTRATION AND MANAGEMENT

27 January 1997

Mr. Secretary-General,

Following up on one of the items which was occasionally discussed in Washington, you should be aware that work has proceeded apace on a Code of Conduct, including financial disclosure. With some major effort, that subject could be brought forward to the next ACC agenda, even though it is still at this stage in the process of being circulated for comments to several of the funds and programmes.

I think it might be a good thing to accelerate the time-table so that a widely perceived reform could be accomplished at a time when a number of major appointees are coming on board.

I await your direction in this matter.

Mr. Kofi A. Annan
Secretary-General
