Re: Advisory Board on Water and Sanitation

Dear SG,

As mentioned earlier, I just met with Ambassador Oshima to discuss the new chair for your Advisory Board on Water and Sanitation. Mr. Oshima was very grateful to be the first one consulted on the issue. He has no obvious objection to the Netherlands serving as Chairman of the Board and took note of the proposal for the Japanese Crown Prince to be appointed as titular head of the Board. I further consulted Mr. Oshima on our intention to nominate Mr. Hideaki Oda, former assistant to Mr. Hashimoto, as a new member of the Board. Mr. Oshima's initial informal reaction was favorable to this proposal, but he would have to revert to his capital for a formal response on all afore mentioned issues.

\* Please your notes, didn't they use the term Pabon or something along those lines. We need to be precise with Japan to avoid confusion. 4/10/06
