PRIORITY

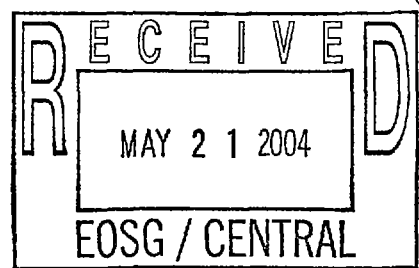

Sir Kieran,

SG initially called you on the hotline. Thereafter he contacted Blanca and requested that you be contacted right away. He would like to know immediately, whether you approve the Electoral teams "going to Baghdad" today.

Thank you.

- 1. Yes, This is all cleared with UNSECCORD, so long as they don't w' draw approval.
- 2. I sent Michael M. ^{last night} an exchange of emails with Carina P on issues such as this. It's important that Michael brief the S-G on this.

I have already approved it, on the basis of a brief discussion with ST earlier today.

For info.
