Dear Mr. Riza,

The Security and Safety Service is unveiling a commemorative exhibit, on Friday, 17 September 1999, at 1100 hours. The commemorative exhibit will honour five security officers who gave their lives while serving the United Nations:

- Ole Bakke killed in Palestine in 1948
- Harold Julien died with the Secretary-General in the plane crash in 1961
- William Ranallo died with the Secretary-General in the plane crash in 1961
- Ibikunle Williams died with the Special Representative in the plane crash in Angola in 1998
- Jori De Marco killed in Tajikistan in 1998

It is our intention to have a short ceremony before we unveil the commemorative exhibit. Family members of the deceased officers have been invited to attend.

The Security and Safety Service and members of the deceased officer's families would be honoured to have the Secretary-General join us, and if possible, say a few words.

Sincerely,

Michael McCann
