Joint Declaration on the Demilitarization of Kisangani

1. The Government of Uganda, the Government of Rwanda and the United Nations Security Council Delegation have discussed the current situation in and around Kisangani, and have agreed on the need for immediate steps to ensure the demilitarization of the city and airports of Kisangani.

2. The Government of Uganda and the Government of Rwanda have stated that they are ready to withdraw their forces currently deployed in and around Kisangani to a distance to be agreed between them in detailed negotiations to be held without delay under the auspices of MONUC/JMC. The results of these negotiations will be reported to the next meeting of the Political Committee to be held before the end of May 2000.

3. The Government of Uganda, the Government of Rwanda and the United Nations Security Council Delegation together recommend to the Special Representative of the Secretary General that MONUC should deploy at the earliest possible opportunity to Kisangani, to exercise neutral control over the demilitarized zone around the city and airports of Kisangani, once the parties concerned have withdrawn.

4. The United Nations Security Council Delegation reaffirms its strong support for the entire Lusaka Agreement and calls the attention of the Lusaka signatories to their obligation to implement the Lusaka Agreement in all its aspects, and in this context requires all the parties to respect this agreement of the Governments of Uganda and Rwanda to demilitarize Kisangani and to take no action in any circumstances which would violate the demilitarized zone.
