HEADLINE: 9/11: ONE YEAR ON: WHERE I WAS.. KOFI ANNAN, U.N. SECRETARY GENERAL

BYLINE: Kofi Annan

BODY:

I WAS just about to leave for the office when the call came from security: "Please stay home for the moment. There has been an accident. A small plane has run into the World Trade tower, but we are investigating."

For the next few days, the city seemed to be walking around in mass depression or in a daze.

People were functioning but one couldn't comprehend what had happened.
