Mr. Michel
Mr. Guéhenno

Excellency

On 23 January 2006 I received reports of the killing of MONUC peacekeepers in Eastern DRC by members of the Lord's Resistance Army.

I deeply regret the loss of life on the part of the MONUC peacekeepers, and I utterly condemn the violence of the LRA. This incident further evidences the fact that the LRA continues to pose a threat to peace and stability in the DRC, Northern Uganda and Southern Sudan.

The arrest and surrender of the LRA commanders who are the subject of warrants issued by the International Criminal Court represents the most effective way to ending the senseless reign of violence of the LRA and contributing to peace and security in the region. You can be assured of the unfaltering commitment of my Office to seeking the rapid execution of the warrants and my readiness to work with the United Nations and the international community to achieving this end.

Please accept the assurances of my highest esteem.
