**SPOKESMAN'S MORNING ALERT FOR MONDAY, 28 FEBRUARY 2005**

--All eyes on the SG's meeting this afternoon with William Lacy Swing, with rumors flying that he will resign as head of the UN mission in the DRC.

--Some Middle East papers reported over the weekend that Israel told the SG it was ready to evacuate Shabaa Farms under UN supervision. Is this true?

--The huge bombing in Iraq this morning was one of the largest of the war. We'll need a statement.
