THE SECRETARY-GENERAL

11 December 2000

Excellency,

I am most grateful for your agreement to chair the High-Level Panel of Eminent Persons which I am establishing to consider innovative approaches to financing for development, and to mobilize political momentum behind this important and increasingly urgent challenge.

I am confident that, under your leadership, the work of the Panel will make a key contribution to the success of the major United Nations event on Financing for Development, which is now scheduled to take place in the first trimester of 2002.

I look forward to meeting with you here in New York later this week so that we can review arrangements for the work of the Panel, its time-table, and your requirements for secretariat support.

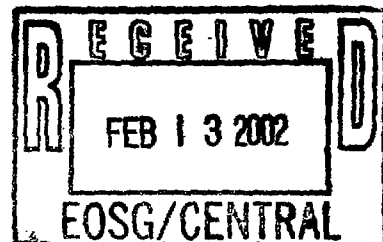

I would propose, with your concurrence, to take advantage of your visit to New York to announce publicly the establishment of the Panel and to meet together with representatives of the Press.

Please accept, Excellency, the assurances of my highest consideration.
