UNMIBH: Briefing by SRSG Klein for the Security Council

1. The President of the Security Council for March, Norway, has scheduled an open meeting on Bosnia and Herzegovina for 5 March 2002, to be chaired by its Foreign Minister. This meeting will come after the expected decision by the PIC Steering Board on post-UNMIBH arrangements with the EU taking over residual UNMIBH tasks. The outgoing High Representative, Wolfgang Petritsch, has asked the Presidency to be invited to brief the Council. Norway is also in contact with the EU in order to have Mr. Solana participate.

2. In these circumstances, we find it appropriate that SRSG Klein also be available to brief the Council on 5 March 2002. You will recall that the last time the High Representative briefed the Council, he did so jointly with SRSG Klein. This was arranged at the suggestion of the Secretary-General and was well received by Council members. Mr. Klein's presence in New York will also be useful for consultations in the Secretariat and with interested Member States on UNMIBH's planning for the remainder of the year and the smooth hand over in December 2002.

3. We would be most grateful if you would seek the Secretary-General's approval for Mr. Klein's travel to New York and addressing the Security Council. || ←
