Subject: Meeting with the Secretary-General - Wednesday 1 August, 12.45

We had originally requested a meeting with the Secretary-General while he was in Geneva to discuss with him a draft communication to Executive Heads on the agenda and programme for the Fall 2001 session of ACC, to be convened in New York on Friday 19 and Saturday 20 October. We have been informed this morning that he has, meanwhile, approved the letter, which is now being finalized for his signature.

Should the Secretary-General have time tomorrow, the meeting could be an opportunity for him to provide us with guidance on the content and arrangements for the proposed ACC retreat, on 20 October, which is to focus on the implementation of the Millennium Declaration. In addition, we would like to bring to the attention of the Secretary-General an offer from the Secretary-General of ICAO to host ACC Fall 2002 session in Montreal in October-November 2002. Subject to the views of the Secretary-General, a formal communication from Mr. Costa Pereira would follow.
