**Security Council**

Distr.: General
27 July 2004

Resolution 1552 (2004)

**Adopted by the Security Council at its 5011th meeting, on
27 July 2004**

The Security Council,

Recalling its previous resolutions and the statements by its President concerning the Democratic Republic of the Congo, in particular resolutions 1493 of 28 July 2003 and 1533 of 12 March 2004,

Reiterating its concern regarding the presence of armed groups and militias in the Eastern part of the Democratic Republic of the Congo, particularly in the provinces of North and South Kivu and in the Ituri district, which perpetuate a climate of insecurity in the whole region,

Condemning the continuing illicit flow of weapons within and into the Democratic Republic of the Congo, and *declaring* its determination to closely monitor compliance with the arms embargo imposed by its resolution 1493 of 28 July 2003,

Taking note of the report and of the recommendations of the Group of experts referred to in paragraph 10 of resolution 1533, dated 15 July 2004 (S/2004/551), transmitted by the Committee established in accordance with paragraph 8 of the same resolution (hereafter the Committee),

Noting that the situation in the Democratic Republic of the Congo continues to constitute a threat to international peace and security in the region,

Acting under Chapter VII of the Charter of the United Nations,

1. *Reaffirms* the demands of paragraphs 15, 18 and 19 of resolution 1493;
2. *Decides*, in light of the failure by the parties to comply with these demands, to renew, until 31 July 2005, the provisions of paragraphs 20 to 22 of resolution 1493 and all the provisions of resolution 1533;
3. *Expresses its intention* to modify or to remove those provisions if it determines that the demands noted above have been satisfied;
4. *Decides further* that it will review those measures by 1 October 2004, and periodically thereafter;

5. *Requests* to this end the Secretary-General, in consultation with the Committee, to re-establish, within thirty days from the date of adoption of this resolution, and for a period expiring on 31 January 2005, the Group of experts referred to in paragraph 10 of resolution 1533;

6. *Requests* the Group of experts above to report to the Council in writing before 15 December 2004, through the Committee, on the implementation of the measures imposed by paragraph 20 of resolution 1493, with recommendations in this regard, in particular regarding the lists provided for by paragraph 10-g of resolution 1533;

7. *Decides* to remain actively seized of the matter.
