SUBJECT: Weekly briefing note to the Security Council on field operations

DATE: 21 November 1999 **NUMBER: 029**

The Secretary-General has noted that the weekly note of 17 November to the Security Council on field operations of is signed by DPKO and DPA.

He has decided that no communication should ever again go to the Security Council signed by two Secretariat officials. There should be only one signature on all documents. When not the Secretary-General's own signature, it should be either yours or that of the Head of the relevant Department. The Secretary-General would be grateful if you would inform the heads of Departments of this policy.

Best regards.
