UPDATED NON-PAPER ON SELF-SUSTAINING STABILITY IN THE BALKANS

21-08+14 - #21-08+13

1. As desired by you, I have updated the non-paper on self-sustaining stability in the Balkans that had been received from Mr Carl Bildt on 11 May 2001, and this is enclosed. You would recall that an earlier non-paper had been shared with members of the Security Council in September 2000; in May this year Mr Bildt had revised that non-paper in the light of changed circumstances and forwarded it to you.

2. As the attached non-paper is an updated version of Mr Bildt's paper of May, I have discussed the updated text with him and he has indicated that he has no particular views on the subject. I have also consulted DPKO and the revisions proposed by them have been reflected in this text.

3. You may like to indicate whether members of the Security Council should be briefed on the contents of this non-paper at your luncheon with them on 3 August, after which this may be shared with them.

SG
Mr Turk will be ready to brief should so wish.
The paper can be sent to SecCo members later in the day Q. 2/8
