DPKO/DPA TRANSFER: BOSNIA AND HERZEGOVINA

The United Nations Peacekeeping Mission in Bosnia and Herzegovina (UNMIBH) closed in December 2002. DPKO has provided liaison with and United Nations support for the relevant international organizations in the country since that time. Pursuant to agreement between DPKO and DPA, as of 1 April 2006, the latter will assume responsibility for those functions, generally related to the transmittal of reports and briefings to the Security Council by the European Union Police Mission in Bosnia and Herzegovina, the European Union Force in Bosnia and Herzegovina, and the Office of the High Representative. DPKO will retain responsibility for residual issues associated with the UNMIBH certification process in cooperation with DPA.
